Book Fair

Last Tuesday, we held our annual Book Fair and Grandparents Day and it was great! We had so many parents and grandparents attend which is something that thrills the children to bits! As usual, Mrs Wade and her helpers did an outstanding job. It is always a pleasure to have Clifford visit us and we appreciated his support on the day. Thanks to your generosity, we took over $7000, and from this, the school will be the recipient of $2500 worth of books for our library. What an outstanding effort from a school of 228 students!

I received many positive comments from parents and grandparents about the tabloid events which Mrs Shaw organised. The children enjoyed the activities and our Year 6 students are to be commended for their leadership of them.

Mrs Jolley and her team did an outstanding job in their organisation of morning tea. As usual, there was lots of food and no-one went away hungry. Year 6 and their parents are to be thanked for their food contributions which raised $750. All in all, it was a great event and I thank all parents and grandparents for joining us and helping to make it such a fabulous morning!

Class Shield

Over the next 2 weeks, we will be encouraging children to accept awards and praise with pride. When receiving awards and praise, children will be encouraged to hold their head up, look the person in the eye, keep their body tall and straight and to smile.

I would like to thank Mrs Wade and her fabulous team of students, staff and parent helpers for a very successful Book Fair. The Book Fair was the culmination of many hours of hard work and it is to the credit of Mrs Wade and her team of helpers that the morning ran so seamlessly.

Working together as partners in the education of your child.

Year 6 iLearn Students
Last Wednesday Year 6 travelled to Kelso High for our first iLearn - Primary Partner Program for the year. They were split into two groups and we were with a couple of other schools from around Bathurst. The first group completed a science activity for the morning session where we were given the opportunity to work with some of the high school students in the wetland that they have on site. The second group spent their session in the woodwork room where they made tic tac toe boards using a hammer, nails, wood, glue and a drill. After recess we swapped. All in all we had a fantastic day and look forward to going back again.
