Principals Report
I am always thrilled to have children come to me with their work. It is fantastic to see the pride they have in what they have achieved and receive recognition for it.
I would like to share the following stories written by Lizbeth Batten, Chloe Hill, Kailea Isbister, Joseph Allen and Darcy Williams. I think you'll agree with me they're a mighty fine effort for Kindy children!

I have a pet dog at home called Tess. She has blue and white fur. Tess sleeps in a kennel. Tess loves us to take her for a walk. I love to play with her. My dog is a blue Labrador.

I have a pet at home called Bella. She poops a lot. She jumps when she is hungry. She sleeps in a kennel. We got her when it was my mum and dads anniversary. She has yellow fur. She is a Labrador and she is very old.

At school I painted a Christmas tree and the pink Christmas had blue spots. The purple tree had zig zags on it and white spots. The green tree had lots of different spots. Next we painted a reindeer and the reindeer had a brown head. Next I painted a stocking and the stocking had a pattern on it. The pattern was red and white.

At school I painted some Christmas trees. The purple tree had white spots on it. The pink tree had blue spots on it and the green tree I did colourful spots on it. At school I painted a reindeer. Its name was Rudolf. Rudolf had a shiny red nose. He had a shiny red nose. He had a scarf and it was a shiny scarf.

I have 2 pets at my home. One pet is a dog called Chloe. She is sneaky because she climbs up on the chair and gets the can of dog food and the other pet is fish. They are very good at swimming and Chloe is good at waiting for dinner.

At last week's assembly, a number of our Kindy students proudly showed us some of their Christmas artwork. They did a great job!

Keeping Safe
On Thursday 26th November, as part of our on-going delivery of the child protection program for students, Senior Constable Matthew Holden, Chifley Youth Officer will be attending Raglan Public School to deliver a talk on cyber bullying and cyber safety. Year 3 students will be presented a 20 minute talk while year's 4-6 will receive a 45 minute presentation.

Students Travelling on Buses
Bus drivers have asked that students carry extra water for their home trip. With the increasing temperatures and some students having to be on a bus for an hour, they can become quite dehydrated by the time their stop arrives.

PRINCIPALS RECOGNITION
I would like to thank Mr Wade for planting an avenue of trees from the school to the Nelson St exit and Miss Bower for thinking up the idea. In a couple of years it will look absolutely beautiful!
